Letter No 258 & 12.8.03 from the Secretary, State Insurance Committee, submitting for orders the Committee's resolution recommending that Mr B. Jayaram, Asstt Geologist, may be either exempted from producing the required Medical Certificate under Rule 21, or permitted to produce one from a British Medical Officer in England.

Mr. B. Jayaram not having taken delivery of his further insurance Policy No 5439, within 1 month from the date of its receipt on 16.4.02 at the State Huzur Treasury, the State Geologist was requested in may 02 by the Secretary, Insurance Committee, to direct him to produce a fresh medical certificate under Rule 21. No such certificate having been produced till ~~the~~ March 03, a memo on the subject was circulated to the Committee members for their opinion, and according to the opinion of the majority, the State Geologist was informed on 21st May 03 that Mr Jayaram will be permitted to pay the premiums, subject to his producing the required certificate after his return from Europe, till which time the policy ~~not~~ being considered incomplete. In reply the State Geologist requested to be informed whether as Mr B. Jayaram, Asstt Geologist, was on deputation in

England, his Policy could not lie over without being forfeited, till his return, and if not, whether it would be sufficient if he produces a medical certificate from a British medical officer in England. Memo. No. 536, on the subject of the above enquiry was circulated for orders of the President and members on 29.5.03, with the result that a resolution was passed on 31st July 03, to refer the question for the orders of Govt with the recommendation above stated (in red ink).

There is no provision in the Rules for the recommendation made by the Committee.

Geologist was requested by the Secretary to the Insurance Committee, to direct the Asst Geologist to produce a fresh medical certificate under Rule 21 of the State Life Insurance Rules. ~~The State Geologist~~, in reply, he wished to be informed whether, as Mr Jayaram was on deputation in England, his Policy could not lie over without being forfeited till his return, or whether it would be sufficient if a certificate from a medical officer in England be produced. The question was discussed by the Committee, who refer it now to Govt for orders, with the recommendation that Mr Jayaram may

either be exempted from producing the medical certificate or be permitted to produce one from a British Medical officer in England.

2. As the circumstances of the case are peculiar and were not in contemplation when rule 21 was framed, Govt are pleased to direct that the certificate of a medical officer in England, whose qualifications are not inferior to those of a medical officer mentioned in the said rule, may be accepted as sufficient. The form of questions may be forwarded to the Medical Officer approved by the President of the Insurance Committee in communication with the proposer.

3. If the Committee consider a modification of the rule necessary, a report may be sent up in due course.
